**SUP. RULE 8
(COURT APPOINTMENTS)**

**L. RULE 8.1
(ADOPTION ASSESSOR)**

As required by law, adoption assessors shall conduct home studies for the purpose of ascertaining whether a person or persons seeking to adopt a minor is/are suitable to adopt. A written report of the home study shall be filed with the Court at least ten days before the petition for adoption is heard. The report shall contain the opinion of the assessor as to whether the person(s) who is the subject of the report is suitable to adopt a minor as well as additional material as is required under the laws of Ohio.

Upon Order of the Court, the costs of the home study and other proceedings shall be paid by the person seeking to adopt, and, if the home study is conducted by a public agency or public employee, portions of the costs representing any services and expenses shall be taxed as costs and paid into the State treasury or County treasury, as the Court may direct.

The Wood County Probate Court uses the following cost schedule:

Birth Parent Counselling: A fee of \$100 shall be assessed by the Court when an assessor is appointed to carry out duties specified in R.C. 3107.082, relating to the assessment of the biological/birth parents prior to the execution of consent. At this time the assessor will also be required to complete a Social & Medical history of each (in-state) consenting biological parent.

Home Study Basic Fee: The basic fee for a home study is \$250. This basic fee is for a home study report resulting from a single home visit. During this visit the assessor makes face-to-face contact with the prospective adoptive parent and the minor to be adopted, as well as all other children or adults residing in the prospective adoptive home.

Prefinalization Report: The fee for the prefinalization report is included in the cost of the home study and provides an assessment of the minor and the petitioner(s). Pursuant to R.C. 3107.12, the assessor shall file the prefinalization report with the court not later than 20 days prior to the date of the final hearing; unless, the court determines that there is good cause to file report at a later date.

Additional Visits and Cost of Additional Visits: Additional home visits are required for most private adoptions. The assessor, no later than seven days after

a minor to be adopted is placed in a prospective adoptive home pursuant to section 5103.16 of the Ohio Revised Code, shall conduct an additional adoptive home visit in that home. These additional visits are to continue every thirty days, until the Court issues a final decree of adoption.

The Court charges a fee of \$30 per additional home visit. A typical adoption includes 6 additional pre-final hearing visits at \$30 resulting in typical additional visit fees of \$180.00.

Extraordinary Fees: The Court may Order an additional fee in certain instances including:

1. Upon Application of Assessor: An adoption assessor may make Application to the Court if they believe that additional fees should be assessed.
2. Adoption which would require extensive traveling: If the assessor must travel extensively (i.e. out of state or a considerable distance within the State), the Court, on a case by case basis, may issue an Order directing the Petitioner to pay an amount over and above any standard fee.
3. Adoption with 3 or more adoptees: If an assessor must prepare home studies for 3 or more minor adoptees, the Court shall issue an Order requiring the Petitioner(s) to pay an additional fee over and above the basic homestudy fee.

**SUP. RULE 16
(MEDIATION)**

**L. RULE 16.01
(MEDIATION)**

The Wood County Probate Court incorporates by reference ORC 2710, the "Uniform Mediation Act" (UMA) and Rule 16 of the Ohio Rules of Superintendence.

(DEFINITIONS)

1. Mediation: Any process in which a neutral third party facilitates communication and negotiation between parties to assist them in reaching a voluntary agreement regarding their dispute.
2. Mediation communication: A statement, whether oral, in a record, verbal or nonverbal, that occurs during a mediation or is made for the purposes of considering, conducting, participating in, initiating, continuing, or reconvening a mediation or retaining a mediator.
3. Mediator: A neutral third party who conducts mediation.
4. Non-party participant: A person, other than a party or mediator, that participates in mediation.

**L. RULE 16.02
(REFERRAL AND PARTICIPATION IN MEDIATION)**

The court has discretion to encourage parties to use mediation in all contested matters within the Probate Court which may be mediated. Mediation is a voluntary and non-binding option for resolving contested matters before the Court which is open to parties who wish to participate. There is no additional cost for mediation provided that the parties utilize the Wood County Common Pleas Court Mediator. Parties who wish to utilize mediation may be accompanied by their attorneys and other designated individuals subject to the discretion of the Mediator.

Prior to the initial pre-trial in a contested matter, counsel shall discuss the appropriateness of mediation with their client and with opposing counsel. After discussion of mediation with their client, counsel may submit a written request for mediation. Upon review of the case, the Court, if appropriate, may issue an order to refer the case to mediation. The Court reserves the right to refer a case to mediation on its own. Any party opposing a written request for mediation shall file a written response within seven (7) days of receiving notice of the request for mediation.

- (a) Exceptions. Mediation is prohibited in the following:
 - (i) As an alternative to the prosecution or adjudication of domestic violence;

- (ii) In determining whether to grant, modify, or terminate a protection order;
 - (iii) In determining the terms and conditions of a protection order;
 - (iv) In determining the penalty for violation of a protection order.
- (b) Nothing in this division shall prohibit the use of mediation in a subsequent divorce or custody case, even though that case may result in the termination of the provisions of a protection order; or in a juvenile court delinquency case, even though the case involves juvenile-perpetrated domestic violence.

**L. RULE 16.03
(PROCEDURES)**

In accordance with all applicable provisions of this rule, if a case is deemed appropriate by the Court and the Court Mediator, mediation will be scheduled. A mediator may meet with parties individually prior to bringing the parties together for any reason including but not limited to further screening. A mediator may schedule multiple mediation sessions, if necessary and mutually acceptable for the resolution of the issues in part or in their entirety.

1. The court shall utilize procedures for all cases that will:
 - Ensure that parties are allowed to participate in mediation, and if the parties wish, that their attorneys and other individuals they designate are allowed to accompany them and participate in mediation.
 - Screen for domestic violence both before and during mediation.
 - Encourage appropriate referrals to legal counsel and other support services for all parties, including victims of and suspected victims of domestic violence.
 - Prohibit the use of mediation in any of the following:

As an alternative to the prosecution or adjudication of domestic violence;

In determining whether to grant, modify or terminate a protection order;

In determining the terms and conditions of a protection order; and

In determining the penalty for violation of a protection order.

**L. RULE 16.04
(MEDIATION CASE SUMMARY)**

Each party shall submit to the mediator a summary of facts and circumstances of the dispute together with any arguments in support of their case. Parties shall provide any additional information or material which they believe will aid the mediator in understanding the dispute or which the mediator requests relevant to the issues at hand.

**L. RULE 16.05
(REPORT OF MEDIATOR)**

At the conclusion of any mediation, the mediator shall inform the Court in compliance with ORC 2710.06 who attended the mediation and whether the case has settled. This report shall be submitted by the mediator within 10 days of the conclusion of the mediation.

**L. RULE 16.06
(EFFECT OF ONGOING COURT ORDERS ON MEDIATION)**

Ongoing Court Orders such as discovery or temporary Orders remain in effect throughout the mediation process. Further, specific Orders of the Court as to a particular case may supersede these general mediation rules.

**L. RULE 16.07
(DOMESTIC VIOLENCE MATTERS)**

The Wood County Probate Court does not exercise jurisdiction over domestic violence cases. However, contested cases within the Probate Court oftentimes involve family disputes. Counsel shall advise the Court prior to any mediation of any known domestic violence history involving the Probate Court litigants or interested parties. The Court on its own volition may also inquire into issues which may provide information impacting the potential for domestic violence before and during any mediation. As needed, referrals may be made by the Court to legal counsel or support services for parties including victims of and suspected victims of domestic violence.

**L. RULE 16.08
(DEFAULT OF CONFIDENTIALITY)**

(a) General. All mediation communications related to or made during the mediation process are subject to and governed by the Uniform Mediation Act. Mediation communications are confidential, and no one shall disclose any of these communications unless all parties and the mediator consent to disclosure. This court may impose penalties for any improper disclosures made in violation of this rule. Disputes regarding confidentiality should first be addressed with the mediator or mediation department where possible.

By participating in mediation, a nonparty participant, as defined by R.C. 2710.01(D), submits to the Court's jurisdiction to the extent necessary for enforcement of this rule. Any nonparty participant shall have the rights and duties under this rule as are attributed to parties, except that no evidence privilege shall be expanded.

(b) Exceptions. All mediation communications are confidential with the following exceptions:

- (i) Parties may share all mediation communications with their attorneys;
- (ii) Certain threats of abuse or neglect of a child or an adult;
- (iii) Statements made during the mediation process to plan or hide an ongoing crime;
- (iv) Statements made during the mediation process that reveal a felony.

**L. RULE 16.09

The information will include: 1) attorney referral contact information, 2) information regarding Adult Protective Services and Children Services and 3) resource information for local domestic violence prevention, counseling, substance abuse and mental health services

**L. RULE 57.10
(NAME CHANGE AND NAME CONFORMITY PROCEEDINGS)**

This rule governs name change and name conformity proceedings under R.C. Chapter 2717 and is effective August 17, 2021.

A. Choosing the Correct Proceeding

A name change proceeding, name conformity proceeding and birth record correction proceeding serve different purposes. Each action has its own requirements. The court will determine if the application is the appropriate procedure to accomplish the person's intent based on the circumstances.

A name change proceeding seeks to change all or part of a person's name to a different name going forward.

A name conformity proceeding is solely to correct misspellings, inconsistencies or errors on one or more official identity documents evidencing a person's current legal name. A name conformity corrects errors that occurred in the past. It does not change a person's name, but merely identifies conflicting problems in their official identity documents and corrects those problems by a court order so that all of the person's official identity documents are consistent and conformed to prove the applicant's chain of identity and reflect the legal name the person currently uses.

A birth record correction proceeding only corrects clerical errors in the birth record of a person who was born in Ohio. A birth record correction proceeding may not be substituted for a name change proceeding or name conformity proceeding.

B. Documentation Requirements on Name Change Proceedings

An applicant seeking a name change must provide the following documents relating to the applicant or minor with the application:

- A certified copy of applicant's Birth Certificate
- A photocopy of applicant's Driver's License or State issued ID Card (if any)

Upon review of the application, the court may require the submission of other documents the court deems relevant to the application.

The applicant must redact (black out) social security numbers, driver's license numbers, and driver's license issuance and expiration dates on all documents submitted to protect the privacy and confidential information of the applicant or minor.

C. Documentation Requirements on Name Conformity Proceedings

An applicant seeking to conform a legal name must provide photocopies of all official identity documents relating to the applicant or minor with the application, including:

- Birth Certificate
- Driver's License or State issued ID Card (if any)
- Marriage Record (if any)
- Divorce Decree (if any)
- All documents for which name conformity is sought

Upon review of the application, the court may require the submission of other documents the court deems relevant to the application.

The applicant must redact (black out) social security numbers, driver's license numbers, and driver's license issuance and expiration dates on all documents submitted to protect the privacy and confidential information of the applicant or minor.

D. Hearings on Adult Name Change and Adult Name Conformity Proceedings

In certain instances, the court may dispense with a hearing and notice in an adult name change or an adult name conformity proceeding. If the court requires a hearing, it will determine the manner, scope and content of the hearing notice. The applicant is responsible for serving the hearing notice and for any costs associated with notice. Service will be made as provided for by rule.

E. Hearings on Minor Name Change and Minor Name Conformity Proceedings

In uncontested name change proceedings and name conformity proceedings for a minor in which the consent of both natural parents of the minor and any other interested party as required by law are filed simultaneously with the application, the court may dispense with a hearing and notice at the court's discretion.

If an application for name change of a minor or application to conform name of a minor is filed without the written consent of both natural or adoptive parents or any other interested party as required by law, the court will schedule the application for a hearing. Notice of the hearing will comply with paragraph F of this Rule. The applicant must appear at the hearing.

F. Service of Notice on Minor Name Changes and Minor Name Conformity Proceedings

Any parent or alleged father or putative father who has not consented to a minor's name change or name conformity will be served by the court with notice of the hearing as provided for by rule or law. If a parent or alleged father's whereabouts are unknown, the court will require the applicant to publish notice of the hearing, at the applicant's expense, to the parent or alleged father who has not consented in a newspaper of general circulation in Wood

County, one time at least 30 days before the hearing. The applicant must file proof of publication of the notice with the court prior to the date of hearing on the application.

G. Contested Proceedings

If any name change proceeding or name conformity proceeding becomes contested, the court may convert the scheduled hearing date to a pretrial conference. The applicant and the person contesting the application must attend the pretrial conference personally or through their legal counsel.

H. Confidentiality

If an applicant for a name change or name conformity desires the proceeding and the record to be confidential, the applicant must file a request for confidentiality supported by an affidavit or other sufficient proof that notice of the hearing or public access to the record would jeopardize the applicant's personal safety. A proposed entry must accompany the request. If the court grants the applicant's request, the court will waive notice and permanently seal the file.

L. RULE 57.11

(SERVICE OF PLEADINGS AND OTHER PAPERS SUBSEQUENT TO THE ORIGINAL COMPLAINT)

Service upon counsel and parties of pleadings and other papers subsequent to the summons and original complaint shall be made pursuant to Rule 73 and Rule 5(B) of the Ohio Rules of Civil Procedure, and may include service by email per Civ. R. 5(B)(2)(f). A party who is not represented by an attorney may state an email address for service by electronic means under Civ. R. 5(B)(2)(f).
